

# Northern Territory

You have made the decision to move to Australia

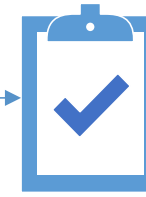

Organise, undertake and complete an Overseas Technical Skills Record (OTSR)  
*Click here to link to OTSR website*

Where in Australia are you going?

Moving to which State in Australia

Moving to Northern Territory

Complete the move to Northern Territory

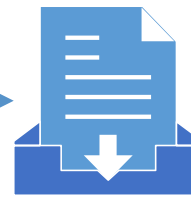

Contact the Electrical Regulator **Electrical Workers and Contractors Licensing Board**  
*Apply for Provisional Electrical Licence (Permit)*

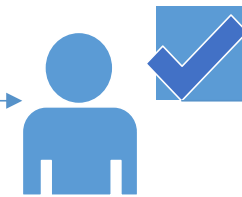

Look for an employer  
*The Regulators like to see Approximately 1000hours of specific work skills to be logged*

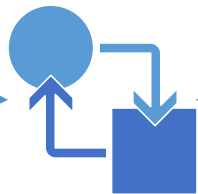

Ensure you have a Cardiopulmonary Resuscitation (CPR) certificate that is less than 12 months old.

Contact the **Australian Trade Training College** to enrol into *10809NAT Course in Electrician Minimum Australian Context Gap*

Complete the 8 modules of the program with both knowledge assessments and observed practicals

The Australian Trade Training College Will issue you a completion certificate for 10809NAT and in most cases will issue you a UEE30811 Certificate III in Electrotechnology Electrician

Arrange to complete with a Medical Practitioner, Optometrist, or Registered Nurse, a colour identification test **prior** to presenting documents to **Electrical Workers and Contractors Licensing Board** in application for an electrical workers license
