Whether you are relocating to Melbourne from overseas or interstate, or you are looking to furnish your new property on a short or long-term rental basis, we are here to assist you and to make the process as smooth as possible for you.

You find the property, we'll supply the furniture.

Relocation Rentals

If you're moving from overseas or interstate, we understand that receiving your furniture can be unpredictable. Moving companies often tell clients their furniture will be arriving on a certain date, but then it gets delayed. If that happens there's no need to worry, with Click On Rentals you can simply extend your rental period by the week. When your furniture arrives, call us and we will come and collect your rental furniture.

Relocation rental packages are perfect for when:

- Your furniture is in transit or you are waiting for customs clearance
- You want to eliminate the need to stay in a serviced apartment or hotel until your furniture arrives. Plus we can deliver the rental furniture on the day you arrive in Melbourne, if you have secured a permanent property
- You've found an apartment but don't want to spend thousands buying all of your own furniture - we offer flat rate weekly, fortnightly or monthly fully furnished plans
